

Edinburgh 12-8 St. Andrews

The Saints men fought hard against Edinburgh with many of our freshers starting and playing their first match for St. Andrews. In the first quarter we conceded a number of goals but as the quarter progressed and we settled in, St. Andrews returned fire with goals from both GB Joe and Arky. Quarter 2 saw goals from Dea and Tanner as well as some excellent saves from our incredible goalie Jeff. Arky led the team with a great block securing the win for quarter 2. After some hard play quarter 3 proved a struggle for us as we began to tire, however we dug deep and Arky fired his second goal into the back of the net. The final quarter had everything, an excellent setup leading to a goal from Angus, a cross from Lucas to Dea gaining us another goal and rocket of a shot from Thomas giving us our final goal. The final score was 12-8 to Edinburgh, however despite the loss the men played incredibly. This was our best score against Edinburgh 1st's, who play in a higher BUCS league than us.
