

## **St Andrews 26-5 Strathclyde**

The Saints Men looked to continue form after a season opener victory ahead of their clash with Strathclyde. On the day an exciting match unfolded with 'end to end' action throughout. The first quarter opened up with some rapid swimming from Elliot King. Bagging himself the first goal of the game, he went on to total three more in the first quarter. The early lead set the tone with multiple players joining the scoresheet. Liam Clegg put down his defensive mindset to power down the right wing, getting his first goal of the season. The second quarter followed suit with great scenes from set Angus Armstrong. A skilful back hand shot added to his building goal tally. Strathclyde fought back to get a goal before the end of the first half from some well worked play. Going into the third quarter 14-1, Saints men aimed to build on their first half play. All players getting time on the ball showed an overall team performance, with impressive defensive work from both fresher Lucas Richardson and Captain Arky Osovtsov. Dea Edington then put 2 goals on the board in the second half of the game to add to a healthy lead. Taner Vickery completed his hat-trick on a counter-attack after a great long shot. Jeff Guenther's route 1 pass was a valuable asset to the game, filling that Paul Scholes' role well. Strathclyde fought hard to pull back 2 goals in each of the quarters. The game ended 26-5 to Saints.
