

St.Andrews 34-5 RGU

The match vs Dundee started off in the right direction with early goals from Dea, Joe, Lucas and Taner we went up 4-0 heading into the second quarter. Though defense became a bit shaky with 4 goals being scored on the counter attack, we soon responded with three goals, two from Taner and one from Lucas. In the third quarter we outscored Dundee by two goals with a beautiful build up play from Lucas and Elliot to make the score 11-6. Then finally yet again Taner, Lucas and Joe polished off the game to make it 14-8. An amazing win for Saint Andrews and their first time beating Dundee in a couple of years.
