

Sheffield 12-13 St.Andrews

On Wednesday 1st November, Saints Women got up unreasonably early to take the train across the border for our match against Sheffield Hallam. Although going down by two goals at the beginning of the first quarter, we quickly equalized with a goal from Nicole and a textbook backhand from Ruby V. The second quarter began with us down 3-2, but some great steals by Lydia and 6 goals from Meg as well as another goal from Ruby V brought us up to 10-7 by the end of the third. Disaster struck in the final quarter, with both Nicole and Ruby V getting wrapped, but with some great goals by Elle and some equally fantastic saves by Alex, we managed to stay ahead until the end of the match, with a final score of 13-12 to St Andrews. A huge congratulations has to go to the whole team for staying focused and continuing to play so well, especially in defence, through the last quarter of the game despite the loss of two key players. One of the most exciting parts of the day (aside from the win) was the train ride home, with some of us sitting opposite an individual who it can't be proven wasn't Vance Joy.
