

Edinburgh 4-7 St Andrews

The game started with a very hard fought first quarter by both teams with many of our shots narrowly missing the net. Our defense worked very hard to stop all attempted shots with several good blocks and saves by Jeff. So tough was the competition in the 1st quarter that Dea and Tanner both had their caps ripped off half way through and the game had to be stopped while they re-equipped themselves. The second quarter started at 0-0, and the Saints were determined to take the lead. Arky quickly scored the first goal of the game after Edinburgh's tender got kicked out. This was unfortunately followed by Edinburgh scoring one as well. Angus also scored bringing it to 2-1 saints at half time. Elliot won the swim off for the third quarter (a huge moral victory). Tanner was granted a 5m shot after a foul, which was unfortunately saved. In the next play, Joe intercepted the ball and scored which brought it to 3-1 Saints. Dea and Elliot both made goals, as well as EDI making one from near half court. Ian was given a yellow card as the quarter ended 5-2 Saints. The last quarter was another contested one, with Edinburgh going goal for goal with us. Tanner and Joe both scored making the final score 7-4. Ian's yellow card was also rescinded as just a misunderstanding. Overall another well played game with the Saints happy to have won for the first time in Edinburgh's pool!
