

## **Durham 13-7 St Andrews**

The women's match up against Durham started after a long bus ride full of team bonding. Warm ups consisted of some out-of-water aerobics before hopping in. The game began with a quick killer goal from Ruby V out of set which was followed up by a nice drive and beautiful lob by Elle. The team kept up a solid defence to stop a man-up play by Durham but they did not let the Saint's goals go unanswered and put in two of their own by the end of the quarter. Durham wins the swim off for the second quarter and despite an amazing steal by Georgie, Durham wins another counter attack and scores again. Unwavered, the Saints women fight back and Ruby V puts another ball in the back of the net. Alex makes a phenomenal save again against another man-down and Ruby V sends another goal through. Durham sends their own two goals through but after an ejection is drawn, the Saints run a great man-up and Ruby V rockets another in. Durham steals the ball off the restart, puts another in and ends the half leading 6-5. Despite a great block and steal by Elle, Durham scores again twice. The women fight through the score and Ruby V gets another solid goal out of set. The remaining quarter sees great defence by the Saints which sees Ruby V sneaking another ball in after a fantastic steal. The Saints women began to tire and Durham took advantage sending 5 more goals in. The women fought till the end though with some more great steals by Elle and some cheeky aggression seen by Ruby. After the disappointing loss the women headed home and enjoyed some free McFlurries ready to take Durham on again in a few days.
