

St Andrews Sheffield

This Wednesday the women's team played Sheffield at home. After a couple unfortunate goals made by Sheffield, Ruby started St. Andrews score with a beautiful shot into the top corner of the goal, leaving the score at 2-1 to Sheffield. The next two quarters were challenging but with two fantastic goals scored by Nicole, two scored by Ruby, one clean shot scored by Meg and one by Becky St. Andrews remained in the game despite Sheffield's continued lead. At the start of the fourth quarter Sheffield was in the lead 11-7. Determined to bring the game to a finish with a closer score, the women went into the fourth quarter ready to fight hard and leave it all in the pool. Meg and Elle demonstrated this by each scoring at the start of the quarter. Becky then gained us a hard earned penalty shot while attempting to protect the ball from two Sheffield players. Ruby took the shot and scored by launching it into the top left corner of the net. Sheffield's next possession did not last long as Nicole quickly stole the ball and swim it down the pool. In an attempt to regain the lost ball, Sheffield's player swam over Nicole's back, giving us another penalty shot. Ruby again took the shot and scored. This left the game tied at 11-11.

After the impressive come back, the women feel good about what has been achieved, ready to learn from mistakes, and face Sheffield again in future.
