

St Andrews 35-6 Durham

Saints Women's water polo continued breaking new ground with a stunning home win over reigning British Universities Champions Durham. St Andrews had never before beaten Durham in the Premier league, but as the first period developed there was only going to be one winner in this match. Incredible St Andrews raced to an 11-0 lead by the end of the first quarter with multiple goals from Versfeld, Laura Jimenez and Kim Watson. There was no way into the net for Durham as the goals continued to fly in, Rebekah Kaufman, Becky Yarrow, Donnelly, Brynn Walsh, Meg Hedrick and Nikki Thompson all added to the scoresheet while at the defensive end, goalkeeper Alex Maher made a high 14 saves. This win maintains St Andrews' position at the top of the North and sets up another big home match next Wednesday against Loughborough Edinburgh. The swim off is 13.45 at New Olympia in Dundee, entry is free, come along and support the league leaders!
