

St Andrews 17- 4 Edinburgh

Saints Women's Water Polo continue to set the pace at the summit of the BUCS (British universities) Premier League with an impressive 17-4 home win against local rivals Edinburgh. Despite the fact that St Andrews defeated Edinburgh comfortably at the recent Varsity match, this was the one that Saints wanted to win and they did so in some style. Goal scoring machine Kim Watson continued her excellent early season form, finding the back of the net three times in the first period, further goals from freshers Kate Mackie and Caitlin Donnelly gave St Andrews a comfortable 5 goal lead that they never looked in danger of giving up. Goals in the second period from Ruby Versfeld, Meg Hedrick, Laura Jimenez and another from Donnelly extended Saints lead to 9-1 at half time. St Andrews continued to dictate the game in the second half adding another 8 goals to their tally to close the game out 17-4.

Saints have a week off next week before making the long trip to Sheffield as they attempt to maintain their challenge for the Premier League title.

St Andrews Assistant Coach Alison Rintoul was pleased with the big win over Edinburgh "we have worked really hard to turn the tables on Edinburgh, I am so pleased that the girls are getting rewarded for their efforts, it has all the makings of a special season".
