

St Andrews 26-4 Newcastle

Saints women's water polo continued their dominant run in the BUCS Premier League with a strong 26-4 home win over Newcastle at the New Olympia Pool in Dundee. Any thoughts that Saints might have slow start after the recent break for the holidays were quickly dismissed as Saints raced to a 3 goal lead with barely a minute on the clock on the back of goals from Kimberly Watson and Ruby Versfeld. Saints added further goals for Kate Mackie, Nikki Thompson and Caitlin Donnelly to take a 9-1 lead at the end of the opening quarter. Versfeld added a further four goals in the second period, while Becky Yates and Kate Mackie brought the score to 15-2 at the half. The second half of the match belonged to Amelia Fletcher who scored a season high four goals and to Bekah Kaufman who added three. The final score was 26-4 against a plucky Newcastle side who braved the snow to make the trip north.
